It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.
 It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

/Jill Warden/
 Supervisory Patent Examiner, Art Unit 1797

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: The interview was initiated by the Examiner to expedite the prosecution of the application. In the interview, the Examiner indicated that claim 74 contained allowable subject matter and that the inclusion of the subject matter of claim 74 to claim 73 would place all the claims in condition for allowance. The Examiner proposed amending the claims via an Examiner's Amendment and the Applicant approved the proposal.
